ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

Pursuant to the Purchase Agreement (as defined below), on May 11, 2017 (the "Closing") FV purchased (i) 30,728,589 shares of Series B Preferred Stock, (ii) Cash Warrants to purchase of 4,877,386 shares of Common Stock and (iii) the Dilution Warrant (as defined below) for aggregate cash consideration of \$30,728,589.

The purchase price for the shares of Series B Preferred Stock and Warrants (as defined below) was issued for the cancellation of \$30,728,589 of existing indebtedness owed by the Company to FV.

Pursuant to the Warrant Exercise Agreement (as defined below), on August 17, 2018, FV (i) exercised its Cash Warrant in full to purchase 4,877,386 shares of Common Stock for \$21,460,498.40, (ii) surrendered its Dilution Warrant to the Company for cancellation after exercising it in full to purchase 2,106,217 shares of Common Stock for \$3,159.33 and (iii) simultaneously acquired the New Warrant (as defined below) to purchase 4,877,386 in exchange for FV exercising the Cash Warrant and Dilution Warrant for cash and surrendering the Dilution Warrant for cancellation. FV used working capital to exercise the Dilution Warrant and the proceeds of the Underwritten Offering (as defined below) were used to exercise the Cash Warrant.

L. John Doerr's individual holdings and holdings of entities affiliated with him (not including FV) resulted from equity compensation grants made to him in his capacity as a director of the Company and from private placements, respectively.

ITEM 4. PURPOSE OF TRANSACTION.

Securities Purchase Agreement

On May 8, 2017, the Company, FV and certain other investors entered into a Securities Purchase Agreement (the “Purchase Agreement”), for the issuance and sale of shares of the Company’s Series A 17.38% Convertible Preferred Stock (the “Series A Preferred Stock”), shares of the Company’s Series B 17.38% Convertible Preferred Stock, (the “Series B Preferred Stock”), two series of warrants to purchase shares of the Company’s Common Stock at exercise prices of \$7.80 per share and \$9.30 per share (the “Cash Warrants”), and warrants to purchase additional shares of Common Stock in the event the Company undertakes certain dilutive transactions (the “Dilution Warrant” and, together with the Cash Warrants, the “Warrants”).

On July 7, 2017, the Company’s stockholders approved (the “Stockholder Approval”) the issuance of shares of Common Stock upon the conversion or exercise of the Series B Preferred Stock and Warrants sold pursuant to the Purchase Agreement. Following the Stockholder Approval, each share of Series B Preferred Stock automatically converted, without any further action by the holder, subject to the Beneficial Ownership Limitation (as defined below), on October 9, 2017. Also following the Stockholder Approval, the Cash Warrants became immediately exercisable. Notwithstanding the foregoing, pursuant to the Purchase Agreement, the holders of Series B Preferred Stock and Warrants did not receive Common Stock exceeding an amount such that the holder, together with its affiliates, would beneficially own in excess of 4.99% (or such other percentage as determined by the holder and notified to the Company in writing, not to exceed 9.99%, provided that any increase of such percentage will not be effective until 61 days after notice thereof) of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of such Series B Preferred Stock (the “Beneficial Ownership Limitation”).

On October 18, 2017, FV notified the Company of its decision to increase the Beneficial Ownership Limitation to 9.99%.

The Dilution Warrant held by FV provided FV with the right to purchase a number of shares of Common Stock, at a price of \$0.0015 per share, sufficient to provide it with full-ratchet anti-dilution protection for any issuance by the Company of equity or equity-linked securities during the three year period following the Closing (the “Dilution Period”) at a per share price (including any conversion or exercise price, if applicable) less than \$6.30 per share.

Registration Rights

Pursuant to the Purchase Agreement, within 30 calendar days of the date of the Stockholder Approval, the Company has agreed to file a registration statement on Form S-3 (or other appropriate form if the Company is not then S-3 eligible) providing for the resale of the shares of Common Stock issuable upon conversion or exercise of the Series B Preferred Stock and Cash Warrants. The Company has agreed to use commercially reasonable efforts to cause such registration statement to become effective within 181 days following the Closing and commercially reasonable efforts to keep such registration statement effective at all times until (i) no party to the Purchase Agreement owns any shares of Common Stock issuable upon conversion or exercise of the Series B Preferred Stock and Warrants or (ii) the shares of Common Stock issuable upon conversion or exercise of the Series B Preferred Stock and Warrants are eligible for resale under Rule 144 without regard to volume limitations.

Warrant Transaction

After giving effect to certain dilutive issuances of equity and equity-linked securities by the Company in August 2017, the Cash Warrant held by FV was exercisable for 4,877,386 shares at an exercise price of \$4.40 per share and the Dilution Warrant held by FV was exercisable for 2,106,217 shares at an exercise price of \$0.0015 per share, in each case as of August 17, 2018 and subject to the Beneficial Ownership Limitation. The exercise price of the Cash Warrant held by FV was subject to standard adjustments as well as full-ratchet anti-dilution protection for any issuance by the Company of equity or equity-linked securities during the Dilution Period at a per share price less than the then-current exercise price of the Cash Warrant, subject to certain exceptions. Similarly, the Dilution Warrant provided FV with the right to purchase a number of shares of Common Stock, at a price of \$0.0015 per share, sufficient to provide it with full-ratchet anti-dilution protection for any issuance by the Company of equity or equity-linked securities during the Dilution Period at a per share price (including any conversion or exercise price, if applicable) less than \$6.30 per share. The Cash Warrant and Dilution Warrant each expired in July 2020.

On August 17, 2018, FV entered into that certain Warrant Exercise Agreement (the “Warrant Exercise Agreement”) with the Company pursuant to which FV (i) exercised its Cash Warrant in full to purchase 4,877,386 shares of Common Stock for \$21,460,498.40, (ii) surrendered its Dilution Warrant to the Company for cancellation after exercising it in full to purchase 2,106,217 shares of Common Stock for \$3,159.33 and (iii) simultaneously acquired a new warrant (the “New Warrant”) to purchase 4,877,386 shares of Common Stock at \$7.52 per share in exchange for FV exercising the Cash Warrant and Dilution Warrant and surrendering the Dilution Warrant for cancellation. The New Warrant has substantially identical terms to the Cash Warrant, except that (A) the expiration date of the New Warrant is fifteen months after issuance, (B) the New Warrant does not contain any anti-dilution protection, other than standard adjustments in the event of any dividends or distributions on the Company’s common stock, or any stock split, reverse stock split, recapitalization, reorganization or similar transaction, (C) the New Warrant only permits exercise after the six-month anniversary of issuance, and only permits “cashless” or “net” exercise after such time to the extent that there is not an effective registration statement covering the resale of the shares of common stock underlying the New Warrant, (D) the exercise price of the New Warrant is \$7.52, subject to adjustment and (E) the exercise of the New Warrant is not be subject to the Beneficial Ownership Limitation.

In connection with the Warrant Exercise Agreement, FV and the Company amended the Cash Warrant and the Dilution Warrant (but not Series B Preferred Stock) to remove the Beneficial Ownership Limitation. In addition to eliminating FV’s full-ratchet anti-dilution protection under the Cash Warrant and Dilution Warrant and the removal of the Beneficial Ownership Limitation in the warrants, the transactions contemplated by the Warrant Exercise Agreement resulted in the Company receiving proceeds of approximately \$21.5 million from the exercise of FV’s Cash Warrant and Dilution Warrant.

Concurrently with the transactions contemplated by the Warrant Exercise Agreement, FV, the Company, another selling stockholder and B. Riley FBR, Inc. (the “Underwriter”) entered into that certain Underwriting Agreement dated as of August 17, 2017 (the “Underwriting Agreement”) relating to the sale of 7,654,148 shares of Common Stock. Under the terms of the Underwriting Agreement, FV sold all 4,877,386 shares of Common Stock issuable upon exercise of the Cash Warrant to the Underwriter at approximately \$6.22 per share, with the Underwriter offering the shares to the public at \$6.25 per share (the “Underwritten Offering”). In connection with the Underwritten Offering, FV agreed with the Underwriter, subject to certain exceptions, not to dispose of or hedge any of their Common Stock or securities convertible or exchangeable for shares of Common Stock during the 180 day period following the final prospectus supplement used in the Underwritten Offering (the “Lock-Up Agreement”). With respect to the FV shares, the Underwritten Offering was made pursuant to effective registration statement on Form S-3 (File No. 333-219732) initially filed by the Company with the SEC on August 4, 2017, including the prospectus contained therein, and prospectus supplement to such prospectus, dated August 17, 2018.

Re: Amyris, Inc.—Lock-Up Agreement

Ladies and Gentlemen:

The undersigned understands that you, B. Riley FBR, Inc. (the “**Underwriter**”), propose to enter into an Underwriting Agreement with Amyris, Inc., a Delaware corporation (the “**Company**”), and the Selling Stockholders named in Schedule I to such agreement, providing for a public offering of shares of Common Stock (the “**Common Stock Offering**”) of the Company (the “**Shares**”) pursuant to a prospectus (the “**Prospectus**”) to be filed with the Securities and Exchange Commission (the “**SEC**”).

In consideration of the agreement by the Underwriter to offer and sell the Shares, and of other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the undersigned agrees that, during the period beginning from the date hereof and continuing to and including the date 180 days after the date of the final Prospectus covering the public offering of the Shares (the “**Restricted Period**”), the undersigned will not offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise dispose of any shares of Common Stock of the Company, or any options or warrants to purchase any shares of Common Stock of the Company, or any securities convertible into, exchangeable for or that represent the right to receive shares of Common Stock of the Company, whether now owned or hereinafter acquired, owned directly by the undersigned (including holding as a custodian) or with respect to which the undersigned has beneficial ownership within the rules and regulations of the SEC (collectively the “**Undersigned’s Shares**”).

The foregoing restriction is expressly agreed to preclude the undersigned from engaging in any hedging or other transaction which is designed to or which reasonably could be expected to lead to or result in a sale or disposition of the Undersigned’s Shares even if such Shares would be disposed of by someone other than the undersigned. Such prohibited hedging or other transactions would include without limitation any short sale or any purchase, sale or grant of any right (including without limitation any put or call option) with respect to any of the Undersigned’s Shares or with respect to any security that includes, relates to, or derives any significant part of its value from such Shares.

Notwithstanding the foregoing, the undersigned may transfer the Undersigned’s Shares (i) as a *bona fide* gift or gifts or by will, other testamentary document or intestate succession, (ii) to any trust for the direct or indirect benefit of the undersigned or the immediate family of the undersigned, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer shall not involve a disposition for value, (iii) pursuant to any order or settlement agreement approved by any court of competent jurisdiction, (iv) to any corporation, partnership, limited liability company or similar entity of which all of the beneficial ownership interests are held by the undersigned or the immediate family of the undersigned or as party of a distribution, transfer or disposition without consideration by the undersigned to its stockholders, partners, members or other equity holders, provided that in the case of any transfer pursuant to clauses (i), (iii) and (iv), (x) each transferee agrees in writing to be bound by the restrictions set forth herein, (y) no public announcement or filing by any party (the undersigned, transferor or transferee) under the Exchange Act, including, without limitation, any filing under Section 16(a) of the Exchange Act, shall be required or voluntarily made in connection with such transfer and (z) any such transfer shall not involve a disposition for value, (v) to the Underwriter pursuant to the Underwriting Agreement, or (vi) with the prior written consent of the Underwriter.

In addition, the foregoing restriction shall not apply to (i) the establishment of a new trading plan pursuant to Rule 10b5-1 under the Exchange Act providing for dispositions or sales of the Undersigned's Shares; provided that such plan does not permit dispositions or sales of the Undersigned's Shares during the Restricted Period and no public announcement or filing under the Exchange Act regarding the establishment of such plan shall be required or voluntarily made during the Restricted Period, (ii) the exercise of options or other stock-based awards to purchase Common Stock of the Company or the vesting of restricted stock or other stock-based awards outstanding as of the date hereof or granted under equity incentive plans in effect as of the date hereof or described in the Prospectus and expiring during the Restricted Period; provided that the underlying Common Stock of the Company continues to be subject to the terms of this agreement, (iii) transfers of the Undersigned's Shares pursuant to a bona fide third party tender offer, merger, consolidation or other similar transaction made to holders of the Common Stock of the Company involving a Change of Control (as defined below) of the Company; provided that in the event that the tender offer, merger, consolidation or other such transaction is not completed during the Restricted Period, the Undersigned's Shares shall remain subject to the foregoing restrictions during such period, (iv) the repurchase or forfeiture of the Undersigned's Shares in connection with termination of the undersigned's employment with the Company, (v) the settlement of options, restricted stock or other stock-based awards expiring during the Restricted Period on a "net" basis or any other withholding of shares of Common Stock by the Company upon vesting and/or settlement of options, restricted stock or other stock-based awards expiring during the Restricted Period, (vi) the conversion of outstanding convertible notes or shares of the Company's preferred stock into shares of Common Stock or (vii) the exercise of warrants to purchase Common Stock of the Company; provided that (x) the underlying shares of Common Stock received by the undersigned shall continue to be subject to the restrictions set forth herein and (y) any such settled or withheld shares are surrendered to the Company in the net exercise; provided further, that in the case of clause (i) no public announcement or filing by any party (the undersigned, transferor or transferee) under the Exchange Act, including, without limitation, any filing under Section 16(a) of the Exchange Act, shall be required or voluntarily made during the Restricted Period and in the case of each of clauses (ii) through (vii) no public announcement or filing by any party (the undersigned, transferor or transferee) under the Exchange Act, including, without limitation, any filing under Section 16(a) of the Exchange Act, shall be voluntarily made during the Restricted Period.

For purposes of this Lock-Up Agreement, "immediate family" shall mean any relationship by blood, marriage or adoption, not more remote than first cousin. In addition, notwithstanding the foregoing, if the undersigned is a corporation, the corporation may transfer the capital stock of the Company to any wholly-owned subsidiary of such corporation; provided, however, that in any such case, it shall be a condition to the transfer that the transferee execute an agreement stating that the transferee is receiving and holding such capital stock subject to the provisions of this Agreement and there shall be no further transfer of such capital stock except in accordance with this Agreement, and provided further that any such transfer shall not involve a disposition for value. For purposes of this Lock-up Agreement, "Change of Control" means the transfer (whether by tender offer, merger, consolidation or other similar transaction), in one transaction or a series of related transactions, to a person or group of affiliated persons (other than an Underwriter pursuant to the Common Stock Offering), of the Company's voting securities if, after such transfer, such person or group of affiliated persons would hold at least 90% of the outstanding voting securities of the Company (or the surviving entity) and, for the avoidance of doubt, the Common Stock Offering is not a Change of Control. The undersigned now has, and, except as contemplated by the foregoing paragraph, for the duration of this Lock-Up Agreement will have, good and marketable title to the Undersigned's Shares, free and clear of all liens, encumbrances, and claims whatsoever. The undersigned also agrees and consents to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of the Undersigned's Shares except in compliance with the foregoing restrictions.

This Lock-Up Agreement shall automatically terminate upon the earliest to occur, if any, of (a) the date the Company advises the Underwriter, in writing, prior to the execution of the Underwriting Agreement, that it has determined not to proceed with the Common Stock Offering, (b) the date of the termination of the Underwriting Agreement (without regard to any provisions thereof that survive termination) if prior to the closing of the Common Stock Offering or (c) August 24, 2018 if, and only if, the Common Stock Offering has not been completed by such date.

If the Company notifies you in writing that it does not intend to proceed with the offering this agreement shall be of no further force or effect. The undersigned understands that the Company and the Underwriter are relying upon this Lock-Up Agreement in proceeding toward consummation of the offering. The undersigned further understands that this Lock-Up Agreement is irrevocable and shall be binding upon the undersigned's heirs, legal representatives, successors, and assigns.

Very truly yours,
Foris Ventures, LLC
